4.9 Survey for Year 7 to 12 students

We would like to know what you think about your school’s Health Education program. You do not need to write your name on the survey. No-one at school or home will know that the answers you give have been written by you, so please be honest. This is not a test – there are no right or wrong answers.

*The term drug in this survey includes; alcohol, cigarettes over the counter and illegal drugs.*

**ARE YOU:** MALE or FEMALE

What is your **YEAR LEVEL** at school?

- Year 7
- Year 8
- Year 9
- Year 10
- Year 11
- Year 12

---

1. **Tick the topics you can remember learning about in health this year?**

   - Resilience/Wellbeing
   - Drug Education
   - Road Safety
   - Physical Education
   - Sun Safety
   - Sexual Health
   - Healthy Eating

2. **Overall, do you believe Health Education is important for you?**

   - Yes
   - No
   - Don’t know

3. **Do you know what support services are available for students at your school?**

4. **Do you know what happens if you break the school rules?**

5. **Does your school have a drug education policy or guidelines?**
4.9 Survey for Year 7 to 12 students cont.

6. Do you know the school’s procedures if a student is found using drugs at school?

7. Do you know where to go to at school if you need help, have any problems or need someone to talk to?

8. Do you have good positive relationships with your teachers (eg respect and understanding)?

9. Do you have the opportunity to participate actively in resilience/wellbeing, drug or road safety education (eg are you consulted on the content of resilience/wellbeing, drug or road safety lessons)?

10. Do you have the opportunity to participate in or organise school activities that focus on drug education?

11. I feel happy at school.

12. I feel safe at school.

13. I have friends I can trust.

14. I know who can help me at school.

15. I think the teachers care about me.
Drug Education

The Drug Education program at my school provides me with:

1. relevant information about all types of drugs and possible consequences of using them.
2. an understanding of drug use why some people use drugs.
3. skills and ideas to help me deal with issues related to drug use.
4. the opportunity to discuss and consider my attitudes to drugs, drug use and people who use drugs.
5. the opportunity to listen to other students attitudes to drugs, drug use and people who use drugs.
6. information and strategies to help reduce the risk of harm from my own or someone else's drug use.
7. learning opportunities to make informed decisions about my own lifestyle choices.
8. awareness of who I can talk to in school if I am worried about my own or someone else's drug use.

Road Safety Education

1. Do you feel road safety practices are well thought out and well managed around the school?
2. Does your school have a road safety education policy or guidelines?
3. Are you consulted on the type of road safety lessons your school offers?
4. Have you completed the Keys for Life pre-driver education program at your school?

*If YES, please answer questions 5-10. If no please go to question 11.*
4.9 Survey for Year 7 to 12 students cont.

How well does the *Keys for Life* pre-driver education program at your school:
