Review: Where are we now?

Mark the boxes according to level of implementation/achievement:

- Do we have a program for road safety education?
- Do we feel confident to deliver road safety education?
- Do we have the resources to teach road safety education?
- Do our parents know what road safety education is happening in the classrooms?
- Are we teaching our students the skills needed to stay safe?
- Are our road safety education activities student-centred?
- Do our students have a positive attitude to road safety?

---

Vision: Where do we want to be?

---

Action: How do we get there?

What to do? How will we do it? Who will do it? By when?

CURRICULUM

- Embed road safety education programs within a curriculum framework.
- School management supports staff to implement road safety education.
- Use student-centred, interactive strategies.
- Actively engage students in skill development.
- Inform parents of classroom programs.
- Help students to influence their peers as safe road users.
