

SDERA invites you to the

CHAT ACHIEVEMENT AWARDS CEREMONY

Changing Heath Acting Together (CHAT) is an evidence-based initiative that helps schools to achieve sustainable health and wellbeing outcomes for students, staff, parents and the wider community.

SDERA invites you to the 2017 CHAT Achievement Awards to celebrate the hard work and successes of over 30 schools who have been working to develop a comprehensive whole-school approach to resilience, road safety and alcohol and other drugs education. These metropolitan and regional schools will be acknowledged for achieving Bronze, Silver or Gold level.

Guests will have the opportunity to learn more about CHAT by networking with CHAT schools, observing samples of their work and achievements, and discussing the impact this initiative has made on the school community.

Teacher relief costs will be reimbursed for those attending.
