

# Wait until the bus has gone

Here are simple tips to help make sure your child doesn't have to cross the road to get to or from the bus.

- When you drop off or pick your child up from the bus, park your car on the same side of the road as the bus stop.
- If you can't park on the same side of the road as the bus stop, meet your child at the stop and supervise them across the road.

- Wait until the bus has driven down the road at least 20 metres before crossing the road together. This will let you and your child see traffic coming in all directions.
- As a driver, always slow down when a school bus has stopped and look for children who might be getting ready to cross the road.

Make sure your child knows what to do:

- If you aren't at the bus stop to meet them.
- If they miss the bus to or from school.

Try to set up a 'bus buddy' for your child (another student who is older and takes the same bus route).
