

Stop, look, listen, think

Your child needs to understand why each step of the STOP LOOK LISTEN THINK procedure is important when crossing a road.

Here are some questions to ask your child when you practise crossing the road together.

STOP

- Is this a good place to cross the road?
- Can you see the traffic coming in all directions?
- Can the drivers see you?
- Why have we stopped back from the road?
- Why do you need to stop before crossing?

LOOK

- What are we looking for?
- Is any traffic coming?
- Can you see the traffic if you only look straight ahead?
- Why do you need to look in all directions?
- Where else could traffic come from?

LISTEN

- What do you need to listen for?
- Can you hear any traffic coming?
- Which direction is the sound coming from?

THINK

- Is it safe to cross now?
- Is the road clear in all directions?
- Can you hear any other traffic coming?
- Can you get all the way across safely?
- Is there somewhere to wait if you have to stop halfway?
