

April 2019

SDERA eNews

Welcome to SDERA eNews!

The SDERA program is the Department of Education's key strategy to help young people make safer choices on the road and in situations involving alcohol and other drugs. We do this by equipping Western Australian educators and parents with the information and tools they need to develop resilience in young people with the aim of keeping them safer. You can find us at

www.sdera.wa.edu.au.

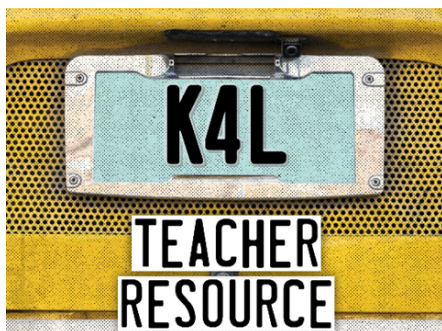

Talking Drugs: Teaching and assessing with purpose

This [free workshop](#) on April 10 is for those working with Year 7 to 12 students to implement a resilience-based approach to drug education.
