

SDERA eNews

Welcome to SDERA eNews!

The SDERA program is the Department of Education's key strategy to help young people make safer choices on the road and in situations involving alcohol and other drugs. We do this by equipping Western Australian educators and parents with the information and tools they need to develop resilience in young people with the aim of keeping them safer. You can find us at www.sdera.wa.edu.au.

Talking Drugs: Teaching and assessing with purpose

This [free workshop](#) on June 7 is for those working with Year 7 to 12 students to implement a resilience-based approach to drug education. Teacher relief is paid.

Cunderdin DHS wins Smart Steps road safety prizes

Cunderdin District High School has won a bunch of road safety goodies for their Pre-Primary Centre thanks to SDERA's Smart Steps program.

Building resilience in York's young children

York Child Care Centre has acknowledged and embraced the messaging of the blue tree to develop and foster resilience skills in the children attending the centre.

Walk Safely to School Day

Friday May 17 will be a busy day on the pavements as students across WA walk (or ride) for National Walk Safely to School Day. See our Challenges and Choices and Smart Steps resources for classroom activities.

Free workshop: Taking 'Smart Steps' towards safer road use

Learn how to teach children up to eight years of age to become safer road users with our free Smart Steps workshop on May 30. Teacher relief is paid.

Free workshop: Resilient Teens offers strategies for school staff

A free [Resilient Teens workshop](#) for school staff on June 12 will offer effective strategies to help develop resilience in Year 7 to 12 students. Teacher relief is paid.

Kellerberrin students pass test through Keys for Life

Eight students in Kellerberrin have passed the Department of Transport Learner's Permit Theory Test thanks to our Keys for Life pre-driver education program. Read [more](#).
